

ST MICHAEL'S MINECRAFT COMMUNITY

Join our church server!

For fun, friendship and to explore following Jesus online and offline!

It is not just for gamers: each week all ages are welcome to join on Zoom for face to face chat: bring your family!

What do I need? You will need a PC/Mac Minecraft (1.16.5+) **Java** (not the PE edition for tablets and phones - sorry!) **and a way to get on Zoom** too.

Want to come? Nip over to our webpage for more information and sign up! We will send the info to log in and make sure you are all set before Sunday! We are happy to help!

SPM EVERY SUNDAY

To sign up and more info visit
